### Ella Taylor Road Traffic Calming Project Scheduled for Next Week

Construction of speed tables on Ella Taylor Road will occur September 22, according to Public Works officials. After installation, these “tables” will require that drivers reduce speed on this road that has long been a cut-through for traffic wanting to avoid Route 17. Ella Taylor Road will be closed intermittently throughout the day and electronic billboards will notify drivers of roadwork. Road striping will occur at a later date. Additional information is available on the [Public Works website](#).
